

## Service Changes

We've all noticed the congestion in the City Centre and with the City Centre roadworks underway we've decided to do something about it.

Our operations department are doing the utmost to keep a reliable service going so starting **Monday 29th October 2007 the following changes are taking place.**

### Service **11** Inverness to Airport/Ardersier

We are pleased to announce this service will now run to Fort George. From the City Centre the service will depart from Falcon Square. From the Airport it terminates in Strothers Lane. (To save time Holm Park, except the early morning & late night journeys, will be a separate service).

### New Service **11X** City Centre to Holm Park

This is the one the public have requested and we're glad to respond. This service will depart and terminate from Bridge Street (Poundstretchers). (Early morning and late evening extensions to Holm Park on services 11 and 27A will remain).

### Service **12** Inverness to Piperhill

The service will no longer operate via Union Street/Queensgate. New stop will be in Strothers Lane.

### Service **27A/27C** Lochardil to City Centre

The service will no longer operate via Union Street, from Lochardil, this service will terminate in Bridge Street (Poundstretchers). From the City Centre, this service will depart from Bridge Street (Gellions).

## Service Enhancements

### Service **29X** Nairn to Inverness Airport

An additional journey will depart Nairn Bus Station at 0835 Monday to Friday which will arrive at the airport at 0855. All journeys (except the 0835) will operate via Ardersier.

**And don't forget our new  
timetable is out from  
15th October 2007**
